Lymfekræft, Leukæmi og MDS

May 2nd 2017

Janssen-Cilag A/S
Bregnerødvej 133
DK-3460 Birkerød

Attn: Susanne Greisgaard

On behalf of LyLe (Lymphoma, Leukemia & MDS Patient Association) dedicated to support patients with Blood Cancers and their relatives I would like to request support from Janssen of the amount 232.562,50 DKK. The requested support does not comprise a substantial portion of the organisation's total budget. This support will be used specifically for organizing and executing a conference in Region Sjælland on June 6th 2017. The conference agenda is attached.

The objective: To increase awareness about rare hematological cancer and based on experience from patients and professional expertise develop an inspirational catalogue with specific actions and tools that ensure patients timely diagnosis and optimal treatment.

Interest to Company: Janssen is a research oriented pharmaceutical company in a board range of hematologic diseases incl. Lymphoma & Leukemia.

Budget Overview: A detailed budget overview is attached, which includes VAT.

According to local law the amount of 232.562,50 DKK does include VAT (25%). The amount should be transferred by earliest convenience in 2017.
